Keira, we'll keep this email short.

**We've set an ambitious goal: hitting a milestone 3,000,000 online donations by tomorrow, which marks our first end-of-quarter fundraising deadline of the general election.**

If we hit that goal, it'll send a clear message to Donald Trump, the national media, and anyone who's ever counted this campaign out: that we're winning the battle for the soul of the nation and ready to elect Joe Biden in November.

**But, Keira, this won't be an easy goal to hit. We're still counting on a lot more grassroots supporters like you to chip in for the first time to make sure we reach 3,000,000 donations by midnight tomorrow.**

**[So, we're asking: will you donate today to power this campaign and help us reach our goal? Any contribution -- \\$5 or whatever you can afford -- will make a real difference.](#)**

*If you've saved payment information with ActBlue Express, your donation will go through immediately:*

Thanks for being a part of this,
